Custom Packaging Solutions Since 1956

Jamestown Container Companies is a privately-owned, innovative provider of high-quality custom corrugated products, packaging foam, and co-packaging services. With six facilities in Ohio and New York, we proudly serve businesses in Northeast OH, Western & Central NY, Northwest PA, and Southern Ontario, Canada.

Exceptional Production Services and Capabilities

Corrugated

- Custom corrugated packaging
- Retail packaging
- POP displays
- Packaging supplies & equipment
- Kitting

Foam

- Polyurethane packaging foam conversion
- Polyethylene packaging foam conversion

Differentiators

- Our complimentary web-based electronic vendor managed inventory (eVMI) solution automatically replenishes your packaging materials. This saves you money, time, valuable warehouse space, and deters emergency orders.
- Multiple manufacturing facilities provide high-quality products with short lead times.
- 20+% available production capacity ensures we can handle unexpected customer demand.
- As a founding partner of the Packaging Alliance Network (PAN), we can service customers across the US and Canada.

Unique Services

- Inventory management
- Warehousing
- ISTA certified testing
- Contract packaging
